2019 Calendar Marketing Awards Announced

Lombard, IL, March 4, 2019 - Calendar Marketing Association announces their Calendar Marketing Award Winners for their 30th Annual International Award Program

The Calendar Marketing Association (CMA) announced the winners in their 30th annual Calendar Marketing Awards. This award celebrates the artistic and technical talents of Calendar Publishers around the world.

“ We are extremely proud to announce this years winners of our international contest,” said Mark Fitzgerald, Executive Director of the CMA, “this year’s competition was one of the largest we have had in several years and it truly displays the resiliency of our industry”.

The award program has three main competitions:

- The National Calendar Awards, an award program that features Publishers who have produced calendars for the United States market
- The World Calendar Awards, an award program that features Publishers who have produced calendars for the Global market
- The The Technical Awards that features Publishers from around the world who have achieved Technical excellence in their calendars.

Award winners are as follows:
